**AMERICAN HEALTH IMAGING  
OF DALLAS**

By Choosing American Health Imaging you have saved your Patient and America's healthcare tab upwards of \$2000.00+.

Had your Patient received the same procedure at a hospital they would have paid considerably more for the same exact scan!

American Health Imaging is one of the lowest cost MRI service providers available and complies fully with the highest levels of mandated quality standards.

**POTENTIAL COST SAVINGS FOR YOUR PATIENT!**

| Scan Type | American Health Imaging<br>(Average MRI Cost) | Hospital<br>(Typical Cost) | Co-Pay Differential<br>(80%/20% Example)                  |
|-----------|-----------------------------------------------|----------------------------|-----------------------------------------------------------|
| MRI       | \$500                                         | \$2,500                    | \$100 AHI vs \$500 Hospital<br><b>Patients SAVE:\$400</b> |
