

State Farm Claim # 43243X002

MVC 01.25.2013

We were at Eastbound Northwest Highway at the red light in the 3rd lane next to the left turn lane.
Black 2008 Honda Ridgeline VIN # 2HJYK16508H530705 License plate # 75XLX8

We were struck in the back of the truck.

Driver – Robert Plock immediately felt spasms in my neck, back, and leg.

Passenger side back seat - Zoe Plock 5 did not show any signs of pain and did not acknowledge pain when asked.

Passenger side front seat - Clarence Abner 50 had immediate spasms in his neck and shoulder blades.

Driver side back seat - Steven Salinas 53 was turned to the right talking to Zoe when we were hit. He immediately had spasms in his neck and mid-back.

Mr. Noel got out of his vehicle and instructed me that he will follow me off of the road to a safe location.

Frank called 911 to report the incident. They sent an ambulance and police.

Dallas Police Department incident ID # 13-0159440

When the ambulance arrived they saw that I was still able to walk and suggested that we go to the hospital on our own.

White Diamond 2011 Chevy Tahoe VIN # 1GNSCCE03BR213749 License plate # CK3L425

Then Mr. Noel, Clarence and I looked at my bumper and tailgate and the front of his vehicle. We then began exchanging insurance and license information. Steven and Zoe remained in the vehicle.

The Dallas Police arrived. The officer saw that we were exchanging information and asked if we needed help with anything else. He noted the condition of the vehicles and gave me an incident form with the number on it.

We finished our information exchange. Clarence took over as driver from the accident.

Went to the Doctors Hospital Emergency Room 214-324-6115
